World Health Day 2017 Focuses On Depression

[World Health Day](#), celebrated on 7 April every year to mark the anniversary of the founding of the World Health Organization, provides us with a unique opportunity to mobilize action around a specific health topic of concern to people all over the world. The [National Wellbeing Service](#) Ltd supports World Health Day by promoting it over our social media networks.

The theme of the 2017 World Health Day campaign is depression.
